SUMMARY

Full Stack Web Developer with a background in Contemporary and Modern Dance Performance, Teaching, and Choreography. Toured Internationally with multiple dance companies, most notably with Ririe-Woodbury to Mongolia and South Korea in partnership with the US Department of State and DanceMotion USA. Lifelong dedication to learning, while becoming a true artisan of the pursued craft. Thrives in collaborative environments and enjoys the healthy competitive spirit of a work community. A creative thinker, diligent worker, and detail oriented thinker.

TECHNICAL SKILLS

Languages: Javascript, CSS3 / HTML5, SQL, MongoDB, JQuery

Applications: Node.js, ReactJS, Firebase, Express, Handlebars, Bootstrap

PROJECTS

Hikelt! | <https://github.com/dansirdan/Group-Project-1> | <https://dansirdan.github.io/Group-Project-1/>

- Hikelt allows users to create an account, search for hikes in their area, add them to their hikes page and other users can join these hikes. There is an added chat feature that allows users to communicate to each other.
- Tech Lead for the project. In charge of dynamic content, javascript, and logical problem solving for the group.
- Firebase authentication, Javascript, HTML, CSS, use of the Google Geolocation API, and use of the Hiking API currently sponsored by REI

Grassroots | <https://github.com/dansirdan/suave-group-2> | <https://whispering-lowlands-40011.herokuapp.com/>

- Grassroots is a community organizing app that allows users to search for existing community projects, create their own, join other projects, or manage their created projects. The whole idea is to share successful community engagement projects to get other communities inspired and working together.
- Tech Lead for the project with implementation of SCRUM. Integration of Authentication and Encryption for our users. I combined the NPM packages passport, bcryptjs, and session to create a clean, secure, and sleek authentication environment.
- Node.js-Express Server, deployed on Heroku, JS, HTML, and multiple NPM packages

EXPERIENCE

Dance Artist **Ririe-Woodbury**

2016 – 2018
Salt Lake City, UT

As a Dance Artist I toured internationally (France, Mongolia, and South Korea), locally to every county in Utah, teaching and performing for underrepresented populations, and nationally from coast to coast performing in New York, Texas, Colorado, Idaho, Utah, Montana, Nevada, and other states. I also curated, maintained, and boosted the company's social media on Instagram and Facebook as their social media manager.

Key Accomplishments:

- Recognized for my ability to teach any age, background, or ability level. While in South Korea and Mongolia I headed all of the education with physically and mentally disabled individuals.
- Performing as a cultural ambassador from the United States.

Barista/ Barista Trainer **Starbucks**

2015 – 2016
Denver, CO

Barista Trainer for the district in Denver, CO. Fast-paced drive-thru meant fast-paced work environment. Responsible for knowing all aspects of the job because I would be training 2-3 new partners every week that would be shipped out to other stores.

Key Accomplishments:

- Recognized by the Regional Manager for my ability to train new partners in a fast, thorough, and thoughtful manner.

EDUCATION

Full Stack Bootcamp Certificate: University of Utah, Salt Lake City, UT

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Cumulative GPA: 4.0

BFA Modern Dance: University of Utah, Salt Lake City, UT

Cumulative GPA: 3.845

Major GPA: 3.914
